## Patient Health Information Consent Form

We want you to know how your Patient Health Information (PHI) is going to be used in this office and your rights concerning those records. Before we will begin any health care operations we must require you to read and sign this consent form stating that you understand and agree with how your records will be used.

1. The patient understands and agrees to allow this chiropractic office to use their Patient Health Information (PHI) for the purpose of treatment, payment, healthcare operations and coordination of care. For an example; the patient agrees to allow this chiropractic office to submit requested PHI to the Health Insurance Company (or companies) provided to us by the patient for the purpose of payment. Be assured that this office will limit the release of all PHI to the minimum needed for what the insurance companies require for payment.
2. The patient has the right to examine and obtain a copy of his or her own health records at any time and request corrections. The patient may request to know what disclosures have been made and submit in writing any further restrictions on the use of the PHI. Our office is not obligated to agree to those restrictions.
3. A patient's written consent need only be obtained one time for all subsequent care given in this office.
4. The patient may provide a written request to revoke consent at any time during care. This would not affect the use of those records for the care given prior to the written request to revoke consent, but would apply to any care given after the request has been presented.
5. For your security and right to privacy, all staff has been trained in the area of patient record privacy and a Privacy Official has been designated to enforce those procedures in our office. We have taken all precautions that are known by this office to assure that your records are not readily available to those who do not need them.
6. Patients have the right to file a formal complaint with our Privacy Official about any possible violations of these policies and procedures.
7. If the patient refuses to sign this consent for the purpose of treatment, payment and health care operations; the chiropractic physician has the right to refuse to give care.

## **Patient Financial Responsibility Policy**

Opp Family Chiropractic appreciates your confidence in choosing us to provide for your healthcare needs. We are committed to providing you with the best possible care for your total body wellness. The treatment you have elected to participate in includes a financial responsibility on your part. The responsibility obligates you to ensure payment in full for our services. Contact your insurance company to determine what is covered and what is not. You are ultimately responsible for payment of any services and care received at Opp Family Chiropractic, whether they are covered by your insurance company or not. Be sure to bring your insurance card to each visit. Always notify our office of any changes to your insurance. And lastly, be prepared to pay any portions your insurance company does not cover.

### **Co-Pays and Deductibles**

If your insurer requires you to pay a co-pay or deductible, please be aware of the amount of your co-pay or deductible at the time of service. You will be asked to pay all co-pays or deductibles at the time of service. If you do not pay your co-pay or deductible at the time of service, we will bill you and may charge you a reasonable service fee to offset the cost of sending you a statement. Full payment is due within seven (7) days of the date it was mailed or emailed to you.

### **Cancellation / No Show Policy**

When you make an appointment, we reserve time specifically for you. Unfortunately, when a patient does not show for their scheduled appointment, another patient loses an opportunity to be seen. Therefore, if you need to cancel or re-schedule, you are asked to notify us as soon as possible, but no later than 24 hours in advance. Appointments cancelled without 24 hours notice may be assessed a cancellation fee of \$25. Habitually cancelling appointments may cause us to ask you to seek another chiropractor for your healthcare needs.

### **Failure to Meet Financial Responsibility**

If you fail to meet the financial obligations agreed upon in this policy and acknowledgment, your outstanding balance will be sent to a collection agency and the balance will have to be paid before receiving further treatment. Your future status with this office will be considered at that time and may lead to being discharged from care at Opp Family Chiropractic. If you have any questions, please contact the billing department.

---

### **Patient Acknowledgment**

I have read and understand Opp Family Chiropractic's Patient Financial Responsibility Policy. I agree to assign insurance benefits to Opp Family Chiropractic whenever necessary. I authorize Opp Family Chiropractic to release information to a collection agency or attorney in the event I do not fulfill my financial responsibilities. I understand that if I fail to meet my financial obligations to Opp Family Chiropractic, then I will be responsible for all costs for reasonable collection and/or attorney fees, if applicable. I expressly authorize Opp Family Chiropractic to charge any outstanding balance, due to co-pays, deductible or non-covered services, on my credit/ debit card pursuant to the terms I agreed to in this Acknowledgement and the Patient Payment Authorization I signed.

## Patient Payment Authorization

### Explanation of Automated Recurring Payment option

Opp Family Chiropractic offers an automated payment option to our patients for their convenience. If you (a patient or payer on behalf of a patient) return this completed Patient Payment Authorization, we will automatically charge your credit/debit card for any outstanding balance due to co-pays, deductibles or non-covered services.

By my signature below, I authorize Opp Family Chiropractic P.A. to process my debit/credit card for 100% of the patient's outstanding balance in full if after seven (7) days of the receipt of an emailed or mailed billing statement a balance remains owing for co-pays, deductibles or non-covered services. I understand I may revoke this authorization by giving my notice in writing to Opp Family Chiropractic.

This authorization is to remain in full force and effect until all amounts owed related to the treatment rendered to the patient are paid in full, or until I cancel this authorization. To cancel, I must notify Opp Family Chiropractic in writing and give reasonable opportunity to act.

I agree that Opp Family Chiropractic, in its sole discretion, may terminate this agreement if my account should lack sufficient funds for payment. In the event Opp Family Chiropractic is unable to secure funds from my bank account or credit card for any reason, I may be charged for further collection action that may be undertaken to the full extent provided by law.
